Education

UNIVERSITY OF WISCONSIN – MADISON | MAY 2024 (EXPECTED) | GPA: 3.8

- Bachelor of Science in Data Science, with a certificate in Computer Science
- Activities: UW Data Science Club (dotData) and Badger Acts of Kindness Club

Experience

BUSINESS INTELLIGENCE INTERN | UNIVERSITY OF WISCONSIN FOUNDATION | MAY 2023 – PRESENT | MADISON, WI

- Utilized Microsoft T-SQL to facilitate communication list requests and generate ad-hoc information for internal and campus personnel, extracting data from a robust relational database.
- Supported the advancement of the University of Wisconsin-Madison by delivering critical data insights to stakeholders.
- Gained proficiency in SQL and relational databases while prioritizing data safety and responsibility.
- Demonstrated efficiency by servicing over 100 ad-hoc requests within a three-month timeframe.

INFORMATION TECHNOLOGY INTERN | UNIVERSITY OF WISCONSIN FOUNDATION | MAR. 2023-MAY 2023 | MADISON, WI

- Collaborated with a team to provide comprehensive day-to-day support to approximately 400 internal employees, addressing hardware, software, account, and other troubleshooting needs, fostering a productive work environment.
- Spearheaded multiple projects, including the development of a PowerShell-based system for auditing the organization's 3000+ IT assets, enhancing accuracy and efficiency.
- Designed a user-friendly PowerShell script with a graphical user interface (GUI) to automate the provisioning of accounts for new employees, streamlining onboarding processes.
- Contributed to office relocations, successfully installing new hardware at offsite locations while ensuring minimal disruptions.
- Demonstrated proficiency in Microsoft Active Directory, Microsoft PowerShell, and Workspace ONE.

GUEST SERVICE/FOOD SERVICE ASSOCIATE | KWIK TRIP, INC. | SEP. 2020-MAR. 2022 | DEFOREST, WI

- Excelled in a fast-paced and dynamic retail environment, providing exceptional guest service while maintaining a clean and organized store.
- Acquired proficiency in food service operations, contributing to the kitchen's efficiency and quality standards.
- Demonstrated a strong collaborative spirit by working effectively with team members to meet store objectives.
- Thrived in a high-pressure, fast-paced working environment, developing adaptability and composure under pressure.
